

CONFESSION FOR DECEMBER, 2023 - "RAISED BY GRACE"

Recognizing the role of Divine Partnership and Crediting Grace for the outcomes of the year, while revisiting the pathways in preparation for the new year (**John 3:27, Psalm 127:1, 1 Sam. 12:6, 2 Chronicles 26:5, Proverbs 22:28, Genesis 26:18, Phil. 2:13, Jeremiah 6:16**).

I bless GOD for the privilege to see the last month of the year 2023. For every answered prayer, for every battle won, every milestone achieved, every provision, every breakthrough, every open door, every testimony, every fulfilled prophesy, every victory gained, every addition and for your many mercies in the year 2023,

I say thank YOU LORD. For every thing that the enemy meant for evil that YOU turned around for our good, for every intended setback that has now culminated into testimonies, for seasons of contradictions that eventually drew me closer to YOUR love, I say thank YOU (**Psalms 65:2, Isaiah 54:2, Isaiah 45:3, 1 Kings 8:56, Genesis 50:20, Romans 8:38-39**).

We declare as a family of faith, that the year 2023 is ending for us on a high note of praise and celebration. All of GOD's promises over us are taking on materiality and tangibility.

We are ready for the rain and GOD is causing both the former and the latter rain to come to us in this month of December. We are going out of this year with joy, we will be led forth into the new year with peace, there will be nothing missing, nothing lacking and nothing broken in JESUS name.

We are finishing strong on a high momentum as we project into the possibilities ahead in the year 2024 (**Psalms 65:11, John 1:14, Isaiah 55:12, Zechariah 4:6-9**).

We declare that it is well with our Nation Nigeria. Our leaders govern with the fear of GOD and with the heart to serve the citizenry.

We declare that there is peace within our walls and prosperity within our borders. Our economy is on the track of recovery and the Nigerian state will not become a failed project.

GOD will guide our leaders aright and only the counsel of GOD will stand in our land. Violence will no longer be heard in our land, our desolate places will become inhabited and Nigeria will take its rightful place among the comity of Nations. We forbid war and violence.

We pray for peace in every troubled region of the world and we command every war to cease in JESUS name (**2 Chronicles 7:14, Psalms 122:7-9, Isaiah 60:18, Psalms 46:9**).

The HarvestHouse Nation is a community of people helped by GOD. Grace distinguishes us. The shouts of rejoicing will continually be heard in our midst. In this month of December, GOD will do marvels such as have not been done before.

HIS praise will not cease from our lips and Our path will continually shine ever brighter in JESUS name. We are exiting the year 2023 stronger, richer, joyous and victorious.

Every member of this tribe is preserved during this yuletide season. We declare that no good thing will be withheld from us. On the strength of GOD's mercy, we graciously enter the year 2024 in JESUS name (**Isaiah 55:12, Proverbs 4:18, Psalms 121:8, Exodus 34:10**).
