

CONFESSION FOR AUGUST, 2025 - “RELEASE”

Coming into settled inheritances.

Walking in the consciousness of GOD's covenant of favor and taking possession of the benefits of redemption while living from a place of overflowing generosity.

That which has been released to us because of CHRIST, must be consistently received by all who are IN HIM and that which is being received can also be gracefully released and a GRACE CYCLE is formed, leading to continuous and endless supplies, thereby making the experience of lack by any, increasingly difficult [**Luke 15:31, Romans 8:32, Proverbs 3:27(MSG), Acts 4:34a, Joshua 18:3, 2 Peter 1:3a (TPT)**].

I thank GOD for bringing me into the month of RELEASE. This is my time of entering into settled inheritances; realities that were purchased for me in CHRIST and appointed to me by covenant. I walk daily in the consciousness of GOD's favor, knowing that all that HE has freely given is mine to receive, enjoy, and release.

I live from the finished work, not striving to earn but positioned to inherit. I declare that the storehouses of grace are open over me, and I am a recipient of supernatural provision, divine appointments, and unstoppable advancement. Because of CHRIST, all things are now mine.

I do not delay or deny myself access to what has already been released. I take hold of every benefit of redemption- health, peace, wisdom, abundance, fruitfulness, and authority.

I walk in bold faith and not in fear. I am fully persuaded that GOD has given me everything I need for life and godliness, and I receive it all with joy and thanksgiving.

My life is a well-watered garden and a testimony of divine sufficiency. I experience the grace cycle, freely receiving and cheerfully giving, leading to continuous and endless supplies [**Luke 15:31, Romans 8:32, 2 Peter 1:3(TPT), Acts 4:34a**].

I live generously, not withholding good when it is within my power to give. I am a faithful steward of spiritual, material, and relational resources. I am blessed to be a blessing and I give from the overflow, never from fear or lack. The more I release, the more I receive, and the more I receive, the more I give.

The cycle continues, and I lack no good thing. My spirit, soul, and body are aligned with GOD's purposes. I break free from delay, hesitation, or self-sabotage. I arise and take possession of all that has been apportioned to me and I go after my inheritance with faith and wisdom.

I declare that open doors, divine platforms, and influence in high places are being released to me now. I walk into spaces prepared for me and steward them with honor, excellence, and humility. I am fruitful in every good work, bearing lasting results that glorify GOD.

My mind is renewed daily, and I think, plan, and act like one who has already won! I live and lead, rule and reign from a place of rest In JESUS Name [**Proverbs 3:27(MSG), 2 Cor 9:8,, Proverbs 11:24-25, Joshua 18:3, Joshua 14:12, Psalms 110:2, Romans 5:17**].

We declare that Nigeria is the LORD's. Our heritage and dignity is being restored. GOD's covenant over this land is activated. Our leaders function in wisdom, justice, and the fear of the LORD. Our cities are peaceful, our industries are thriving, our youths are visionary and empowered.

Corruption is uprooted, righteousness is exalted, and national resources are properly managed for the good of all. Nigeria becomes a sign and a wonder for good to the nations of the World (**2 Chronicles 7:14, Isaiah 32:18, Isaiah 60:17-18**).

At The HarvestHouse Nation, we are walking in perpetual release. Lands, properties, platforms, and divine relationships are being handed over to us. We receive mantles of influence, global visibility, and unusual favor.

Our borders are expanding, our reach is multiplying, and our impact is deepening. We are a people who walk in abundance and pour into others with generosity. We are Apostolic Builders, Prophetic Reformers, Kingdom Financiers, and Cultural Architects.

We take possession and establish GOD's will wherever we are In JESUS' Name, AMEN!
