

CONFESSION FOR JULY, 2025 - “MAKING ROOM”

Making provisions for enlargement and increase.

Building capacity by widening horizon and embracing change.

It is the space we create that GOD will fill. With limited capacity comes stunted growth and arrested development. We must make room for more in our faith, finances, relationships and kingdom exploits (**Romans 1:17, Proverbs 11:24, Proverbs 18:24, Psalms 84:7, John 14:12**).

I thank GOD for bringing me into the best part of 2025, these are my days of uncommon Favor, unprecedented Success, undeniable Promotions, daily Increase and cheap Victories.

The promises of GOD are finding expression in my life and there is an overlap of timely happenings of divinely orchestrated events. GOD is doing better for me than at the beginning and there is a collapse of time in my favour.

I declare that the channels and faucets of blessings are opened over me and I am enjoying a deluge of Heaven's provisions. Unequaled intellect, uncommon wisdom, the grace for witty inventions and revolutionary GOD breathed ideas are mine.

I enjoy increased capacity for more, my cords are lengthened, my stakes are strengthened, my teachers are not withdrawn to a corner and I welcome every opportunity ordained for my growth, discipline and progress.

My spirit, soul and body, cooperate with GOD's agenda for my life.

I receive open Doors and strategic Platforms for the expression of my GOD given gifts and talent. I am blessed in the city, blessed in my field, blessed at home and abroad. In this season,

GOD is making all grace abound toward me, and I enjoy the giving grace to give to every good work and be a blessing in every way I can. I am the salt of the earth and a beacon of light,

I permeate my home, workplace and industry with the fragrance of GOD's grace, and my life becomes a dragnet for many to be drawn to the knowledge of THE CHRIST (**Psalms 5:12, Zechariah 9:12, Psalms 102:13, Romans 1:17, 2 Corinthians 9:8, Isaiah 54:2, Proverbs 18:24**).

We declare Nigeria is the LORD'S. The heavens are giving their dew and the ground is yielding her increase. Our leaders walk in the counsel of GOD, they serve HIS purpose with reverence and lead by the wisdom of GOD. Our habitations are safe, our streets are peaceful and our economy flourishes.

Our land is rid of corrupt practices, diabolical forces and wicked influences. There's equity in the land, probity in the leadership and a proper stewardship of the nation's resources, leading to the growth of the economy and yielding results that are beneficial to the entire citizenry.

Our waste places are blossoming and becoming fruitful again. As a people, we are known for integrity, creativity, resourcefulness and global solutions. We declare the sovereignty of GOD over Nigeria. The LORD is our KING, The LORD is our Judge and The LORD is our Law giver (**2 Chronicles 7:14, Isaiah 32:18, Judges 1:4, Isaiah 1:26**).

At The HarvestHouse Nation, we are a people helped by GOD. GOD is giving us more lands, cities, territories, nations and continents. The doors of nations are opened unto us and our tribe is increasing greatly.

We enjoy abundant resources for our kingdom mandate and our hands are strengthened more and more. More Room is made for us in every city where we are domiciled. We are Change agents , Role models, Paradigm shifters, Culture shapers, Territory takers and Our GOD is making a name for HIMSELF through us in JESUS Name. AMEN!
