- Understanding the concept of nationhood and nation building.
- Going from complaining to contributing and from apathy to empathy
- while restoring hope, bringing calm to chaos and spreading light to dark places.

**(Proverbs 24:3 TPT. Isaiah 58:12. Hebrews 3:4. Psalm 127:1. Exodus 25:40)**

I am a builder in my generation. Through wisdom, intelligence and insight, I build my life, my family, and my future. The works of my hands endure and are established. I move from complaining to contributing, and from apathy to empathy, restoring hope where there is despair, bringing calm where there is chaos, and spreading light in dark places. I see the blessing of GOD rubbing off on me. I see greatness attached to my name. I am known for that which is remarkable. My five loaves are multiplying in the name of JESUS and I have all it takes to actualize every dream in my heart. I enjoy grace to make a difference and cause positive change. There is grace for actualization of everything GOD has destined for me.

As I go through this month, good things race in my direction. This is my season of reboth. Room is made for me to prosper. My ideas enjoy the backing of heaven and the growth of my enterprise is easy. Whatever I have been starved of, everything I have lacked will no longer be in short supply. I will not lack help, means, comfort, love, affection, and encouragement in JESUS' name. I enjoy grace for increased productivity

and immense profitability. There will be no loss. It is a month of unprecedented sales for me. GOD positions the right people in the right places for me. GOD raises voices of advocacy on my behalf and establishes divine connections for me.

We declare the continued rise of nation-builders in Nigeria and across the nations of the world, who are committed to the rebuilding of our nation. In Nigeria, we move from complaining about what is broken, to contributing to nation building. By the enabling of GOD, We arise as repairers of broken walls and restorers of livable cities. We enforce GOD's power to rebuild our nation on the foundation of righteousness, justice, and peace. Nigeria will not be abandoned to chaos or corruption; THE LORD HIMSELF builds this nation and our labour shall not be in vain. We declare the wisdom of GOD guides our leaders, the fear of THE LORD restores our institutions, and the blessing of THE LORD makes our land fruitful. Nigeria becomes a land of opportunity, prosperity, and dignity for all citizens in JESUS Name.

At the HarvestHouse Nation, we arise as builders of lives, communities, and nations. We are equipped with the blueprint of heaven and we build according to divine pattern. We build with wisdom, strength, and courage. We are strategically positioned in GOD's agenda to transform our land and our world. We are strong and we do exploits. GOD's power strengthens and empowers us to fulfill our divine assignments. Our men and women emerge as saviours of sectors, territories, regions, nations, and continents. We are carriers of hope and agents of change. Our work brings joy to cities, peace to nations, and transformation to the world. By the wisdom and power of GOD, we enforce HIS kingdom agenda everywhere we go until the kingdoms of this world become the kingdom of our GOD and of HIS CHRIST. In JESUS Name. AMEN!
