Releasing our faith for mega increases and trusting GOD for supernatural expansion. Growth must not be pegged at the currently known level. You can structure for greater growth. Vision and systems are guaranteed keys for multiplication to happen.

Isaiah 60:22. (Acts 6:7. Ezekiel 36:11. Jeremiah 30:19. Ezekiel 36:37)

I bless and thank GOD for bringing me into the month of November. This month shall be a month of exponential growth for me. A small me is becoming a great and mighty person. In this month and the remaining part of this year, my miracles shall be mega, and my testimonies grander. I am expanding to the left and to the right. My barns are filled to overflowing, I experience far more and beyond supernatural supplies. The year is ending for me on a high note of praise and thanksgiving. The LORD will do for me better, greater and mightier than at the outset of the year. I am increasing in the gift of men and I am abounding with plenty of means. I am being shown special privileges and unusual kindness is constantly being extended to me everywhere I go in JESUS name.

By the wisdom of GOD, I have the required support and structure to accommodate the overflow and continuous growth in this season. By GOD's abundant grace, I receive HIS increase on every seed sown and my harvest is happening without delays. In this month and for the rest of the year, my ground is bringing forth bountifully. GOD will do HIS quick and perfect work in my life. By the force of Grace, my

storehouses are well-funded, my frontiers are expanding and my accounts are blessed with more than enough resources. I build enduring structures and lasting legacies. My businesses are growing and my career is flourishing. I am well positioned for the more, the new, the better and the greater! My vision is widened; my scope is broadened, and my capacity is enlarged in JESUS' name. **(Isa. 60:22, Ezek. 36:11, Jer. 30:19, Ezek 36:37. Acts 28:2, Isa 54:1-2, Luke 12:16)**

Our teeming youth are economically empowered; New opportunities, investments and creative ideas are opening up for us, thereby leading to improved productivity and welfare for all Nigerians. There is growth of our GDP and the strengthening of our currency. Our leaders are better stewards of the nation's resources and goodwill and, No longer shall violence be heard in our land in JESUS name.

At the HarvestHouse Nation, the Word of GOD prevails and prospers. The GOD's Word is spreading and gaining ground in the hearts of men and women. We declare that GOD sent men and women are being added to us daily. The least of us is evolving into a great nation. We are indeed a people helped and strengthened by GOD. Through us, many are converted unto CHRIST. We are raising a generation of believers who are doing GOD's bidding everywhere they go. GOD's word is prospering in our hands in JESUS name. AMEN! **(Act 6:7, Isa 60:22)**
