### NEWNESS

(Experiencing Restoration & Repositioning through prayers and the practice of GOD's Presence Isaiah 40:31; 41:15)

Hallelujah!! This is my season of newness. I am conscious of GOD's abiding presence, HIS unending love and HIS limitless power. I enjoy the partnership of GOD, the spirit of grace and supplication is upon me. I am assisted in the place of prayer. Therefore, I know and receive all that GOD has for me in this season.

The secret place is my dwelling place, HIS word is my daily bread, I draw strength and wisdom from HIS presence and I am constantly being transformed into HIS Image. I am strategically positioned to hear from GOD. I have light for the journey ahead and I always know what to do.

I enjoy heaven's dew and everything about me is renewed. (Rev 21:5, Matt 28:20, Rom 8:26, Zech. 12:10, Ps. 91:1, Hab. 21:1, Ps. 119:105)

We decree a change in the spiritual landscape of our nation Nigeria. There is revival across the length and breadth of our land. We legislate the emergence of a new breed of leaders; Leaders with a heart and capacity to transform the nation. Divine help is ours in Nigeria. Wickedness no longer thrives, every root of evil is destroyed in our country. GOD's counsel prevails and we begin to enjoy strategic alliances as our progress becomes visible. (Ps. 2, Ps. 3, 2 Sam 15:31)

The HarvestHouse Nation is a spiritual powerhouse. A place of refuge, succour, illumination, training, equipping and deployment. We are territory takers, frontier extenders, change initiators and transformers. We lead innovation and change and maintain a cutting edge relevance to GOD's global mandate. We are a people helped by GOD and HIS pleasure continues to prosper in our hands. In JESUS Name. Amen! (Isaiah 56:7, Matt. 21:13, Isaiah 4:6, Num. 35:13)
