

CONFESSION

NOVEMBER DAYS OF GLORY, 2021 - LET THE RIVER FLOW

(John 7:38).

I believe and I declare that these are my days of visitation; I am operating under open heavens- enjoying the advantage of light and grace. The covenant reality of the living waters is activated in my life, Hence, an end has come to dryness in my spirit and dullness in my soul. I'm living a drought-free, debt-free, disease-free and depression-free life and I am enjoying a clean bill of health. (Isaiah 60:1; Rev 22:2; Ps. 112:3)

I decree and declare that there is fresh oil on my head, spontaneous praise in my mouth, productivity in my hands, joy and peace in my soul, courage in my heart, progress for my feet and light on my path. My mind easily captures creative ideas that glorify GOD and advance HIS Kingdom. Under the influence of the Spirit of GOD, I am living in the reality of Eden and experiencing the best that GOD has ordained for me. I am blessed, chosen and highly favored. (Joel 2:3; Gen 47:27; Ps. 33:12)

Nigeria, Arise! Shine! Prosper and begin to evolve into the fullness of your prophetic destiny in GOD. We decree and declare that darkness and wickedness, banditry and terrorism are dislodged to the distant past of our history. JESUS is King in this nation! (Genesis 1:28; Pro 13:14; Isaiah 60:18; 33:22)

At the HarvestHouse nation, we are a fragrance of HIS knowledge in every place that we are domiciled. We are Christ centered, purpose-driven, mission-minded and kingdom addicts; from this House, the living waters are flowing and bringing healing to the nations in JESUS name. Amen! (2 Cor 2:14, Eph 1:15; Matt 6:33. Ezekiel 47:8-9).
