

MARCH, 2022 - "TAKING CHARGE"

(Dominion through self-leadership Underscoring the importance of Self-leadership as a key to maximized living. Proverbs 6:6-8. 2 Corinthians 10:6.1 Corinthians 9:24-27; 15:10. Hebrews 3:4.)

In the Name of Jesus, I take authority and declare that: I am solidly planted in the centre of GOD's will for my life. I stand steadfast and immovable on the truth of GOD's word.

I walk the path of HIS precepts and I am a companion of those who fear GOD's name. In the Name of Jesus, I take authority and declare that: My health, family, work, finances, investments and endeavours are in alignment with GOD's word and promises for the season.

My experiences are in tandem with "GOVERNMENTAL GRACE AND EXCEEDING FRUITFULNESS", to this, there is no deflection or deviation. In the Name of Jesus, I take authority and declare that: I am a value adder and a difference-maker, my contributions are significant and my influence is positive.

I bring the influence of the power and authority of GOD's kingdom into all my engagements. All things are working for my good. (1Cor 15:58, Psm 23:3, Prov8:20, Psm 119:63, Luke 1:38, Matt 5:13-14)

Over Nigeria, we legislate the fulfilment of GOD's will. Judgment is released to the camp of the troublers of this nation. Destruction and complaining cease in our streets. Righteousness buds, truth and justice prevail in our land.

The strength of our citizens will thrive and blossom. We announce a season of favour for our nation, everything is changing for the better. We decree a shift in the political landscape, the emergence of servant leaders and the total annihilation of tyrannical leaders.

With a shout we declare: Unity and Faith, Peace and Progress. In Jesus' Name. (Psm 2,3, Gal 5:12, 2Thess1:6, Psm 144:14, Prov 14:34a, Psm 102:13).

At The HarvestHouse Nation, we are a governmental church with territorial influence. We exercise and spread our kingdom shaped culture of worship, service, sacrifice, excellence, obedience and value for authority, at home and in diaspora. Daily, our number is multiplying and our influence is increasing.

We are the attraction of nations as we provide solutions to local and global issues. We continue to lead innovation and change, we provide leadership and support to our communities at all levels. We are a people of distinction, raised to be models, empowered to fulfill destiny. In Jesus Name, AMEN! (Isaiah 9:6, Acts 6:7, Micah 4:1-2).
