

CONFESSSION FOR NOVEMBER, 2022- "ACCESSING GRACE FOR YOUR NEXT"

(Recognizing the inexhaustible nature of the possibilities in GOD. **1 Corinthians 2:9-10. Ps 31:19; 36:8. Phil 3:13. Proverbs 4:18. Haggai 2:9. Hebrews 11:40**)

I thank GOD for bringing me into this month of November, my month of accessing Grace for the next level. This month, by the reason of GOD's grace upon my life, my path shines brighter and better.

There is no retrogression in any area of my life as I go through this month of grace. I declare that I daily walk in the consciousness of GOD's grace that has been made available to me by redemption. By the force of HIS Grace, this year ends better for me than I started it.

I am not laid back nor complacent in my dealings. Rather, I reach forth unto those things which are ahead of me, therefore, I conquer new grounds and I take over new territories. The Grace of GOD is evident in my results in the remaining days of this year. Outstanding Outcomes and results that are unconventional are the order of the day in my life in this month of Grace (**Proverbs 4:18 Eph 1:7, Ecc7:8, Phil 3:13. 1 Cor 2:9**).

We declare that Nigeria is a nation under GOD; a nation enjoying GOD's help. GOD is turning the fortune of Nigeria around for good; our desolate places are becoming safe dwelling places. Our land is freed from destruction and corruption.

Nigeria is becoming a nation of honour and praise to GOD before all nations of the earth. In the forthcoming elections, the LORD will execute judgement and righteousness in the land and Nigeria shall be saved. We enjoy the blessing of quality leadership, leading to our desired transformation.

Our citizens afar off will hear that indeed the LORD has visited HIS people by giving us abundance. The glory of our latter days is exceeding that of the former in JESUS Name (**Deut. 10:14, Jer. 33:14-16, Isa. 1:26, Ruth 1:6 Hagg. 2:9**).

The HarvestHouse Nation is a house of Grace. We are a people helped by GOD. By Christ, we have all received Grace upon Grace. We are the light of the world, a city set upon the hill, that cannot be hidden.

Therefore, we are empowered by Grace to take up new cities and conquer new territories for our GOD. We spread the fragrance of GOD's knowledge across the nations of the earth. No city is too strong for us to possess.

The doors of nations are flung open to us. We enjoy growth and increase across all our installations and We are empowered for our GOD-given assignment In JESUS Name! Amen! (**Ps124:1, Jh1:16, Matt. 5:14, Deut 2:36**).
