

CONFESSION FOR MARCH 2025 - "STEWARDSHIP"

Living with a sense of accountability. Seeing life as a ledger and being deliberate about living profitably while justifying all of GOD's Investments and whatever privileges or platforms we may be providentially afforded in the course of our existence [**1 Timothy 6:7 (TPT), Matthew 25:15, Matthew 25:19, 1 Corinthians 4:2, Matthew 25:21, 2 Corinthians 5:10**].

I declare that I am a steward of GOD's divine investments. I am graced, entrusted, and empowered for a purpose, and I live profitably, maximizing every opportunity, gift, resource, and influence to the glory of GOD. My life is a ledger of privileges, platforms, and provisions in trust, and I am accountable for its increase and impact.

I live carefully, deliberately, diligently, and I am disciplined in handling all that GOD has placed in my hands. My time, talents, and treasures are strategically deployed in alignment with GOD's purpose for my life; for Kingdom advancement, personal growth, and societal transformation. I am resourceful and attentive to multiply every seed sown into me and GOD's grace is not in vain.

I declare that I am faithful with little and thereby become entrusted with much. My gifts are sharpened, my skills are refined, and my impact is undeniable.

I embrace my assignment with joy and excellence, and I execute every responsibility with integrity, knowing that my reward is certain. I am not a mere consumer; I am a contributor, a value-adder, and a multiplier of grace. [**1 Timothy 6:7 (TPT), Matthew 25:15, 2 Corinthians 5:10, 1 Corinthians 15:10, Matthews 25:19, 1 Corinthians 4:2**].

We declare that Nigeria is a nation of faithful stewards. Our leaders govern with accountability and wisdom, effectively managing the resources of our land for the common good. Corruption, waste, and mismanagement have no place in our nation.

The spirit of excellence and responsibility thrives in every sector, and Nigeria rises to fulfill her prophetic destiny. We declare peace, righteousness, and sustainable progress in JESUS' Name! (**1 Corinthians 4:2, Luke 16:10, Proverbs 29:2, Isaiah 33:6, Proverbs 29:4, Psalms 33:12**).

At The HarvestHouse Nation, we are wise stewards of GOD's grace and goodness. We are builders, solution providers, and change agents. Our impact is global, our influence undeniable, and our results irrefutable. We are faithful in service, diligent in purpose, and accountable in action. GOD's hand is upon us, and HIS favour establishes the work of our hands.

We are a people helped by GOD. We are shining lights, city builders, and gatekeepers of Kingdom resources. We rise as faithful stewards of grace, revelation, and influence in every sphere of life. We abound in wisdom, excellence, and fruitfulness, advancing the agenda of GOD's Kingdom everywhere we go. In JESUS name Amen! (**1 Corinthians 4:2, Colossians 3:23-24, Isaiah 58:12, Matthew 5:14-16**).
