

CONFESSION FOR DECEMBER 2025

– “DIVINE SETTLEMENT”

GOD IS STILL THE GOD OF ABUNDANT COMPENSATION and the year will not end without your experience of divine settlements. This month, we will focus on learning how to receive GOD's compensation and align ourselves with HIS settlement agenda. In Divine Settlement is the experience of restoration!

(Genesis 15:1 AMPC . 1 Peter 5:10. Joel 2:25. Isaiah 51:3. Isaiah 61:7.)

I bless GOD for bringing me to this month of December. In this Year of Ownership, I take possession of every promise GOD has spoken over me. By divine Settlement, I am empowered to own, occupy, and take a delivery of what heaven has already released. I declare in this month that I am divinely settled, restored and compensated. I declare the securing of my inheritance with permanence. This month, GOD is satisfying me early and establishing me in ownership. I walk in the consciousness of GOD as my Shield, my Reward and my Abundant Compensation. I receive grace to take possession of everything CHRIST has paid for; No more delays, no more striving, no more loss.

(Gen 15:1 AMPC, Isa 61:7, Joel 2:25 to 27, Isa 51:3, Gen 15:1 AMPC, Psa 84:11, Josh 21:45, Josh 1:3, Eph 1:11, Col 1:12, Oba 1:17, Isa 60:22, Psa 102:13)

I declare that I own my restoration, I own my peace, I own my prosperity, I own my joy, I own my testimonies, I own my progress, and I own my GOD given testimonies. This December, I am perfected, established, strengthened, and settled in every area. Divine Settlement secures what

grace has given me, and the year ends with visible evidence of GOD's crowning Blessings. I declare that everything the enemy attempted to steal is restored to me, and I take ownership of the fullness of GODs compensation. I walk in double honor, double restoration, and double inheritance. I am in my appointed weeks of Harvest. I finish this year strong, settled, and in full possession of all my blessings. **(1 Pet 5:10, Joel 2:25, Isa 61:7, Isa 51:3, Psa 65:11, Joel 2:26 to 27, Isa 51:3, Isa 61:7, Psa 126:1-3).**

We declare that the hand of the LORD rests upon our nation, bringing restoration, justice, and divine alignment. In this Year of Ownership, our nation takes rightful possession of peace, righteousness, and stability. GODs wisdom rests upon our leaders for structured governance, and prosperity flows into every community. We enforce GODs settlement agenda across all sectors, including education, economy, justice, healthcare, security, and families. We declare dignity, provision, stability, and abundance for every household. **(Proverbs 14:34, Philippians 4:19, Psa 67:2, Isa 60:17, 1 Tim 2:1 to 2)**

At The HarvestHouse Nation, we declare that we are a people whom GOD has settled and empowered to own territories, ideas, industries, and destinies. Divine Settlement strengthens us for exploits, and Ownership positions us for dominion. We rise as restorers and rebuilders because GOD has settled us to repair what was broken and to restore what was lost. We stand as leaders and champions of transformation, influencing territories, regions, nations, and continents for CHRIST. By Divine Settlement, we bring forth solutions, walk in kingdom excellence, and manifest global impact. In JESUS name. AMEN!
