

CONFESsION FOR JANUARY 2026 -

“WINNING WITH GOD”

Setting the pace for the year on BENDED KNEES. Drawing STRENGTH for the year's journey from the SECRET PLACE. Committing our goals to THE ONE WHO will see to their actualization. Gaining CLARITY and fine tuning PLANS. Positioning in PRAYER and making POWER available for the attendant demands of The NEW YEAR. (**Genesis 32:28. Isaiah 52:12. Isaiah 52:13. Isaiah 40:31. Proverbs 16:3 TPT. James 5:16B TPT.**)

I bless GOD for bringing me into MY YEAR of ANSWERS. I am grateful to GOD for the prophetic words that have gone forth. In this new year, I cease from all toiling, worry and anxiety as I enjoy the reign of rest everyday of this year. GOD Is granting me cheap victories and I am satisfied with the goodness of THE LORD all year-round. As I wait upon HIM in this season, HIS Perfect Will is being revealed to me. I start the year on a high momentum of consecration and I declare that the fire on my altar will not go down. My spiritual path shines brighter and brighter in JESUS name. As this year unfolds, I make a fresh commitment to service in GOD's house; I will champion Kingdom causes and commit my resources to the spread of the gospel globally. (**2 Chr 20:30, Isa 26:3, Deut 29:29, Prov 4:18, Neh 2:20.**)

I declare that I enjoy ease in my walk with GOD this year. My ears are hearing ears and my eyes are seeing eyes. The light of GOD's Word shines on my path for every step I take. I enjoy grace to run with every prophetic word declared concerning the year and I will witness the full manifestation in every area of my life. I embrace godly disciplines and

stay in full alignment with the Divine instructions for the season-finding joy and peace in the encouragement, correction and admonition of my teachers in JESUS Name. (**Lev 6:12-13, Job 22:28, 1Tim 1:18, Isa 30:20-21**)

We declare that Nigeria is Blessed! Our leaders are becoming better stewards of our GOD-given resources. The heart of our leaders follow GOD's bidding and we are united in one mission towards the development of a great country. Together, we work towards fulfilling our GOD-ordained destiny as a nation. In Nigeria, the land will yield her increase to us and our people will live in peace and prosperity. We declare ease in the spread of the gospel across all the states in this nation and we affirm that Nigeria is THE LORD's and its fullness thereof in JESUS Name. (**2 Chr 7:14, Ex 34:10, Psa 122:6-7, Psa 67:5-6**)

At The Harvest House Nation, we raise an altar of gratitude for a year of ANSWERS, a year of REST roundabout, a year of fulfilment of prophecies, a year of flight, a year of gaining grounds, a year of overlapping testimonies and a year where nothing will be missing, lacking or broken in JESUS name. As a people of faith, we are daily helped by GOD; our men are not few and our impact is being felt in every place where our members are domiciled across the globe. This year, we gain more grounds for our GOD in different Nations of the World and to our increase, there will be no end. As we go out with Joy, we are led forth in peace, and we declare that it's victory all the way for us in JESUS name. Amen!
