

# CONFESsION FOR CROSSOVER SERVICE 2025. "NIGHT OF JOY"

For you shall go out with joy..." (Isa 55:12)

I thank GOD for the year 2025. The acts of GOD in my life in the year are marvelous in my eyes. For this, I give HIM all the praise. I thank GOD because the grace for ownership remains strong and enduring in my life. Tonight, as I step out of 2025, I step into 2026 with JOY, anchored on GOD's WORD and I receive strength, clarity, and grace for the journey of the new year. I enter into 2026, full of hope, full of joy and rooted in Peace. It's a year of happy happenings for me; I enjoy virile strength, boundless energy and sound health all year round. This year, joy will not be absent in my life. Rather, my joy will be visible, contagious, and enduring. I declare that the events of this new year are divinely conditioned to be to my advantage. Where others see dryness, I see fruitfulness. Everything is coming into alignment with my purpose and occasioning my progress. In 2026, I operate from a position of victory and I enjoy a reign of Rest. I am stepping into 2026 with JOY, I am walking through It with PEACE, and I will finish 2026 with PRAISE in JESUS' name. **(Psa 118:23; 89:15-16; Isa 55:12; Neh 8:10; 1 John 5:4)**

We declare that Nigeria is the LORD's and the fullness thereof. In 2026, our nation will enjoy peace. We reject confusion, lawlessness and decay, and we declare an alignment with GOD's purpose for the land. Our leaders govern with clarity of purpose, integrity, and The Fear of THE LORD. Over our nation, we enforce GOD's eternal plan and declare dignity for every citizen, provision for every household, stability in our

systems, and security in our land. Our nation is preserved, progressive and prosperous by the hand of the LORD.

**(Prov 14:34, Phil 4:19, Psa 67:2, Isa 60:17, 1 Tim 2:1-2)**

At The HarvestHouse Nation, GOD-sent men and women are added to us daily, and the least among us is becoming a thousand times more in capacity, influence, results and impact. Our members are succeeding at home and in their kingdom stewardship. Growth is our inheritance. We are a people helped by GOD, strengthened by GOD, and positioned by GOD for greater impact. The Word of GOD continues to prosper in our lives, producing results traceable to their SOURCE. In 2026, We PREVAIL by THE WORD, We EXPAND by THE WORD and We OVERCOME by THE WORD in the name of JESUS. AMEN!
