

CONFESSION FOR MOTHERS' DAY 2026 - ' BLESSED '

Heavenly FATHER, today we thank You for every woman, wife, and mother in the HarvestHouse Nation. We thank YOU for the gift of motherhood and the grace YOU have placed upon our women. Therefore I decree that my journey of motherhood is blessed and purposeful. Children are a heritage from the LORD and the fruit of the womb is HIS reward. I receive my children as gifts from GOD and I steward them with wisdom, grace, and love. I confess that I am clothed with strength and dignity. I walk in wisdom, grace, and excellence as I navigate through my various assignments in life. I decree that I excel as a woman, I am dignified as a wife, I am beautified as a mother, I thrive in my career, my calling, and my business.

The Blessing of GOD rest upon me and I am like a well watered garden, flourishing and, I am bringing forth fruit in every season of my life. I will not grow weary in doing good, I am healthy in my body, sound in my mind, and strong in my spirit. The joy of the LORD is my strength and the LORD renews my strength daily. My children are taught of the LORD and great is their peace. They grow in wisdom, stature, and favor with GOD and with men. I decree that my home is a place of love, peace, and GOD's presence, my children flourish like olive plants around my table and my household is blessed. The LORD establishes the work of my hands and everything I do prospers. I am a blessed mother, my children will rise and call me blessed. In Jesus Name **(Proverbs 31:25, Jer 31:12, Isaiah 54:13)**

Today we lift up our nation Nigeria and declare that Nigeria is blessed and thriving across every sector. The voice of women in this nation will not be silenced. Our women are empowered for impact, for wealth creation, and for raising godly generations that influence society for GOD. We decree that in Nigeria our dreams as women will not be stifled, our impact will not be diminished, and our goals will not be denied. The women of Nigeria arise and shine according to Isaiah 60:1, for the glory of the LORD is risen upon us and HIS favor rests upon our lives. By our GOD we shall do valiantly and we will break new grounds and new territories.

At The HarvestHouse Nation, we decree that we are GOD's generals for impact and influence. We rise to every opportunity to spread the gospel and we are constantly making disciples everywhere we go. The nations are open to us, we increase in men and in means. There is no land too difficult for us to penetrate, we enlarge our territory, we expand to the right and to the left, and the nations become our inheritance. We are a people on divine assignment, empowered by GOD's grace and sustained by HIS mercies. Today, we declare with boldness: We are blessed as women, we are blessed as mothers, we are blessed as families. Our church is blessed and our nation Nigeria is blessed. In JESUS' mighty name, AMEN. **(Matthew 28:19)**
